

Jodie Sikorski

## Letter of Intent – Band Booster Board President

My name is Jodie Sikorski and I am expressing my intent to run for the position of President of the Cousino High School Band Boosters Board. My daughter, Samantha Sikorski, will be a Junior in the 2020-2021 school year. She currently plays Trumpet for the marching band and the Symphonic band. In the 2020-2021 school year, in addition to playing in the marching band, she will be one of the trumpet section leaders, as she was this past year.

I have been a band booster member for the last 2 years and was elected Vice President for the current school year. During these 2 years, I have volunteered my time on numerous occasions including: preparing food for band camp, coordinating both marching band uniform and tuxedo distribution, chairing the Jingle Bell raffle, co-chairing the Euchre Night fundraiser, and chaperoning on many occasions. I am applying for the position of President because I would like to take on additional leadership roles for the Band Boosters and feel that I am uniquely qualified for this position. While my daughter attended Cromie Elementary I served 5 years on the PTC board as President (2 years), Events Coordinator (2 years) and Treasurer (1 year). As Vice President of Cousino's Band Boosters, I have worked well with the parents and students through various activities, fundraisers, and events to achieve the common goals for this club. I know the requirements to successfully serve on a PTO Board and have the experience of organizing fund raisers, serving on Cousino's Band Boosters, and leading a PTO. I am excited to help guide the future of this organization.

If elected, I intend to support the other members of the Board, Mr. Rose, the fundraising chairperson and the bands & choir. As the Band Booster President, I intend to give my best in leadership, participation, communication, behavior and fairness. I will conduct myself at all times in a manner that will reflect positively upon Cousino High School and the band and choir programs.

Thank you for your consideration.
